We Are So Excited... to welcome you and your family to Cub Scout Pack 163. As a scout,

your son will have exciting opportunities to participate in a variety of activities and adventures. In a day and age where competition and “winning” are too often emphasized, the motto of the Cub Scouts is to “Do Your Best.” The scouting experience helps nurture family values (events are open to all family members including siblings) as well as encouraging each scout to learn, grow and most importantly have fun!

To Get Started... just follow the four easy steps below to kick off your scouting experience. (It is important that new families attend the “New Parent Meeting.” This meeting will provide you with the details regarding the application/fee, uniforms, handbook, upcoming events and the overall scouting experience.)

1. Complete an application (along with the \$45 chartering fee)
2. Attend the New Parent Meeting (September 8th @ 6:30pm, also watch the website)
3. Obtain uniform and handbook
4. Attend the September Pack Meeting (September 15th @ 6:45pm, also watch the website)
