River Rats 2006

An Exciting Family Camp for Cub Scouts

Registration Night

Tuesday, November 15th, 2005
6:30 PM at the Council Service Center
N12 W24498 Bluemound Road, Waukesha

Important information:

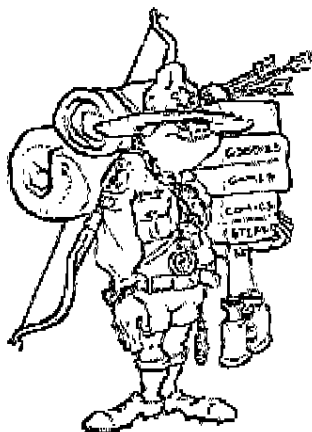

A lottery style drawing is held for weekend preference. One leader from each pack must attend Registration Night to be eligible for the drawing.

Each weekend is limited to 275 total campers. To reserve camper spots, leaders must come with a preliminary roster of those planning to attend. A roster for each weekend is strongly recommended, in case the pack does not receive their weekend of choice.

Fees are \$75.00 per two family members, and \$25.00 for each additional family member. A deposit of \$10.00 per camper is due at Registration Night (Tuesday, November 15th, 2005).

A \$25.00 per pack, non-refundable site fee is also due at Registration Night.

Final rosters and balance of fees are due by Tuesday, February 28, 2006.

Packs are eligible to sign up for one of these weekends based on lottery standing:

May 19-21, 2006 or June 2-4, 2006
At Camp Long Lake
