Pack 23 Spring into Bowling Event

Everyone who came could play two games ☺! Now some people will get the bowling belt loop. Mr. Mauermann hit some hard shots! If he were a cub scout and there was a badge for hitting hard shots he would earn it!

Bucks Game Highlights

I liked the Cub Scout Bucks game because it was a good game and we got to sit with the Pack. We got really, really high seats. They lost but it was still a good game.
