This Award is not listed on Scouttrack.com. Please check off and sign this form and hand in to Susie Polentini to be awarded at the next Pack meeting.

Scouting's contribution to society is most visible in the movement's commitment to community service. Service is interwoven into many of Scouting's honors and is mandatory for earning the higher rank advancements. Through service, Scouts demonstrate that they provide an essential function to their communities.

The Year of Celebration Community Service Award rewards recipients for providing time and resources at no charge for the good of their local community. More than just engage in service, the award recipient must also share their thoughts about why service is crucial to our society and how Scouts today fulfill a 100-year-old legacy of serving communities.
