Consider being a hole sponsor

Eagle's Cub Scout Pack 54 is an important part of our community. Consider being a hole sponsor for only \$100. Your businesses sign will be prominently displayed at one of the holes. Provide your own sign, or the pack will provide a basic white yard sign for you.

All proceeds go to Pack 54 in efforts to aide them in developing essential life skills, contributing to the outdoor events and enabling them to more effectively give back to the community.
