

Pack 63 Family Camp and Rocket Rally – 2011

- When:** May 20th through 22nd
- Where:** Mukwonago County Park – Group camp sites #5 and #6
- What:** Family Camp and Rocket Rally
- Cost:** \$40 per family for entire weekend (Includes first rocket)
 \$20 per family for Saturday (Includes first rocket)
 \$10 Activity fee for additional scout/ siblings (rocket and all activities/crafts)

Details:

Pack 63 will provide a group camp site for family camping and activities. All camping equipment must be provided by families. DO NOT bring firewood. It will be purchased by the Pack, from the park. Bring water for personal use.

Breakfast and Dinner on Saturday will be provided. All other meals are on your own.

There will be a MANDATORY parent planning meeting Monday May 2nd at 6:30 PM (Rose Glen) for at least one parent of each scout attending.

Rocket Tips:

- Rockets will be handed out when you register.
- Make the rocket AHEAD of time. These rocket kits need a few days to let the glue on the fins set or you risk an “in-flight incident.”
- DO NOT cut or slot the body tube for the fins, this will prevent the engine from fitting.
- Carefully follow all directions. **Especially the part about the yellow spacer tube!!!**
- Engines will be provided at camp but not handed out with the Rockets.
- Pack 63 recommends using tacky glue for the fins!!!

Directions to Mukwonago County Park:

Take STH 83 South into Mukwonago
Turn right on CTH LO and continue 2.6 miles to the park entrance (on Right)
Turn Right into the park and follow signs to Group camp area.
