Resources for Cub Scout Leaders

The May-June issue of *Scouting* magazine reported about the new Cub Scout delivery method that launched nationwide this fall ("New Blue"). Check out your back issue or read it online at scoutingmagazine.org.

Since then, links have gone live where volunteer leaders can get all the material they need to make this new system a ringing success. So, here's the scoop:

For general info, go to scouting.org/cubscouts/leaders and click on "Den Leader Resources" on the left side. Then scroll down and click on the "Den and Pack Meeting Resource Guide" under the "Essential Resources" header.

Den Leaders, that's where you'll find free, age-appropriate den meeting plans.

Cubmasters can visit that site for guidance on planning and executing monthly pack meetings.

Purchase the complete set of den and pack meeting plans by searching for "Cub Scout resource guide" at scoutstuff.org. You can buy the print version for \$6.99 or download the complete PDF for \$3.99.
