**Pack Meeting**

Our pack meeting is tomorrow night at 6:30. We have Leslie Kiel from the Wildlife in Need Center who will bring some animal friends and give us a presentation. Should be fun!

**Camp**

If you want to go to camp but still have not told me, please let me know by Wednesday, April 22, 2009. I can still get you in. If you have already signed up, please get me your money for IMR as soon as you can. Prices are listed on the website on the signup sheet.

**Volunteers**

We need adult volunteers to help out with various pack functions for next year. From the Pinewood Derby, to the Cake Bake, to helping out with recruiting. If you are interested and able, please let myself or Charlie know and we will get you engaged!

**Homework**

- Work on the requirements for the Conservation Badge.
