Parent's Notes

Cake Bake

This month's pack meeting is tomorrow night and is the annual Cake Bake. Checkin starts at 5:30 PM at St. Bruno's Church Gym. Cakes will be auctioned off after the judging, so bring your checkbook and buy a cake! Proceeds go to the pack to support future programs.

Rechartering

Pack 73 recharterers each March. If you would like to stay in scouting, forms must be filled out at this month's pack meeting and dues should be paid as well. Please bring check or cash to the meeting so we can get rechartered!

Summer Camp and Swamp Fox

I will have information about the IMR camp coming up at next month's den meeting. Three boys went last year and we had a blast. We're planning on going again this year, so we're hoping to get more den members to attend together. If you would like more information, please contact me. More information will be available at next month's den meeting and at pack meetings.

Web Site

If you haven't already done so, please browse to the website with your scout by tomorrow! There is a web scavenger hunt that they can do in hopes that our den will win Willie the Wolf Scout. Our den hasn't won it yet this year, so this is our big chance!!! The survey is at <http://pacunits.org/p73/special.php>.

Achievement Management

I will be e-mailing each of you individually with what I have for your child's achievements recorded. Please compare it to your records and let me know what I'm missing.

Also, some of you have not yet sent me your address. We will need that for rechartering coming up next month.

Homework

- Den work on the requirements is done. If you have any outstanding requirements left to do, please try to get them done by March so we can all get our Wolf badge by then.

Next Den Meeting - TBA
