

Hi, my name is _____ and I am a Cub Scout with Pack 73 in Dousman. Each year, scouts across the country collect food to help the local food pantries in the area. If you are at all able to contribute anything to this project, thank you. Please put any non-perishable food items into the bag I left with you. Next Saturday, just leave the bag on your front doorstep and I will collect it for you.

Thank you for your support!
