

AUGUST 2017

Troop 16 News
By Scoutmaster Terry Hoepner

Activities with the troop have slowed down with the troop as we only meet periodically during the summer. We did have a Pizza party to honor all the patrols at Summer Camp for earning the Baden-Powell Award. The scouts who earned badges at Summer Camp were also honored. The troop then did a little service by putting the fellowship hall and narthax back in order after a funeral.

Softball was a fun activity at Marx Park in July. The Peterson team squeaked out a victory over the McGrath team 16 to 4. Ice Cream Sundaes were a real treat afterward.

Max M. attended a week of leadership training in June. The training is called National Youth Leader Training and took place at Long Lake Scout Camp. After fulfilling some service, he will proudly wear a NYLT Bolo

We are now headed for a canoe trip adventure down the Manitowish River in northern Wisconsin. We will be on the river five days and camp along the way.

Adam B. and Noah L. are our Inspire Historians. They alternate writing the monthly Inspire articles informing the congregation what activities are going on with the troop.

Monthly Rank Advancement
Grant F. - Eagle Bronze Palm

Year's Attendance Honors

- 1 year - Joe B.
Dan W.
John C.
Jared F
