

Troop 16 News

By: Troop Historian, Noah L...

A large group of troop members and parents walked the halls at Care Age Healthcare Center singing Christmas carols then went back to St. John's for a party of games such as Pictionary, musical chairs and a gift exchange. Joe McGrath did a fabulous job in organizing the event and the Balzer's took care of refreshments.

A couple of our scouts helped teach compass techniques to some of the 350 Cub Scouts at the Winter blast event at Watertown High School.

The Christmas break activity was held at Lucky Bob's Raceway doing slot car racing. The boys are assigned race cars with controllers and race around the track for 16 minutes. Winners having eclipsed the most laps were Eric F..., Joe and Josh B...

Over the past year the troop has worked on various service projects such as the Rotary pancake breakfast, St. John's property cleanup, elks lodge bingo, and Christmas caroling. With troop members individual volunteerism the troop served the community 3000 hours of community service.

The Troop Librarian position is held by Dan W... He stores and files troop merit badge books for members use.
