

Troop 16 News  
By Troop Historian Joe B.

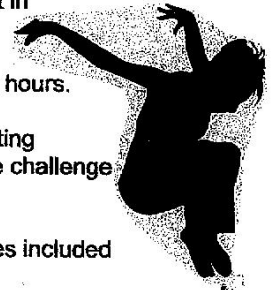

There were 33 scouters (scouts, leaders and parents) that sang at the Care Age Center halls. We sang Christmas Carols selected by the residents. We sang while strolling down the halls. Afterwards we went back to St. John's for our Christmas party that was organized by Dennis S. At the party we played pictionary, musical chairs, and had a gift exchange. The refreshments were meatballs, cheesy nachos, punch and snacks and enjoyed by all.

There were a few scouts that participated and offered leadership skills to cub scouts at an event in Watertown called the Winter Blast.

During Christmas break we went jumping at sky zone trampoline park where we jumped for two hours.

At weekly meetings the patrols worked on making patrol flags. Zach L. made an interesting presentation on the arts and equipment involved in scuba diving. Sean D. introduced the challenge of competitive chess play to the scouts.

During the year, individuals gave 3400 hours of community service. Some of the service activities included caroling, bingo at the Elks Lodge, pancake breakfast, and three eagle projects.

The Troop Librarian position is held by Brendan F. Books.

He sorts and files the troop Merit Badge
