

Troop 16 News
By Troop Historian, Joe B.

Our first week long camp out of the summer was spent at Camp Long Lake in the Kettle Moraine forest near Kewaskum. There were 21 scouts and 8 leaders that enjoyed the week.

The patrol members worked on their merit badges, played Gaga ball and other activities around the camp together. This year all five patrols earned the Baden-Powell award. Our troop won 2nd in the camp wide relay competition where we had to race through the camp doing Scout Skills. We also took 2nd place in the Aqua Fest water front competition. To keep everything consistent we also came in 2nd place in camp site inspection as well.

The campers came up with skits at the week end camp fire and awards were given out to the participants. In all there were 50 merit badges earned by the troop members. We had four new scouts earn the Passport to Adventure award which is an introduction to the various camp activity areas.

Nick H and Joe B were also tapped out for Order of Arrow membership at camp this year. Meals are served in the Dining Hall except on Wednesday when the troops do their own cooking in the camp site. This year we had Scrambled Eggs for breakfast, Tacos for Supper and S'mores for desert. Mr. Henderson also made five different Cobblers served with Ice Cream for dessert during the Thursday campfire..

The Outdoor Court of Honor took place in the St. John's Fire Bowl. We played Mix - O, which is similar to playing the game of Bingo.

During this meeting we were presented with the Troop Charter, advancement awards were presented, and we retired five American Flags. We then went inside the church to look at previous high adventure slides and enjoyed some very delicious refreshments.

The Troop First Aid Quartermaster position is held by Noah L ... who periodically checks the various church First Aid Kits for supply replacement.

Monthly Rank Advancement
