

Troop 16 May News

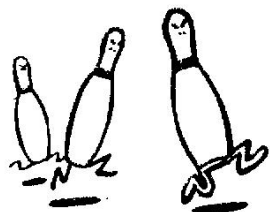

By: Troop Historian, Noah L

The three day campout at Camp Quad was canceled due to bad weather so the troop decided to have one outing day at St. John's Firebowl with 22 scouts showing up. The theme of the trip was first class cooking. The scouts planned meals, shopping list, and utensil list. The First Class cookers lead the patrol in cooking the meals and cleaning up after themselves. Breakfasts included scrambled eggs, sausage, bacon, and Mexican Burritos. Advancement was held afterwards. For lunch there was grilled ham and cheese, tacos, pizza bagels, and tomato soup. After lunch we moved across the street to the shelter at Marx Park. The softball game was canceled in the fifth inning due to the rain. Dinner was served with Guadalupe Chili Pie, chicken, stew, and Swiss steak. After four hours of rain we ended the outing with a short non-fire campfire program.

Troop 159 visited us to attend the dodgeball game and cobbler cook off at the St. Johns fire bowl. 16 scouts came from Troop 16 and 10 more from Troop 159. There were games of Dodgeball and Ga Ga Ball. Four cobbler's were made for the event-chocolate cherry, rhubarb, peach, and cherry. We cooked hotdogs over a short campfire. There was sunshine but still a bit chilly. Nathan J and another scouter from Troop 159 organized the activities for the day.

A fun bowling activity was held during spring break. We also worked on some of the athletic requirements for the Tenderfoot Rank. Swim test were held at the YMCA for the camp Long Lake swimming events

Zach L and Aaron B are our troop Chaplain Aides. They lead the camping devotions and Eagle Court Benedictions.
