

Troop 16 News, by Troop Historian, Elijah Kalbas

This past May Troop 16 enjoyed some great activities. One of those was Camping at Daniel Boone Conservation League near Hubertus. 12 scouts attended, and this was the first camp out of the season for camping outdoors. The theme of the weekend was First Class cooking, where scouts had to plan a menu, make a shopping and cooking gear list which they needed along with cooking Breakfast, Lunch, Dinner, and Dessert. Some of the meals included: baked ham, pork chops, chicken tenders, chicken shish-ka-bobs, pancakes, scrambled, eggs, bacon, sausages, flanlets, pigs in a blanket, and grilled cheese. With the weather report saying we were going to have 6" of snow Saturday afternoon, the Saturday dinner was cooked on Friday. After Saturday's breakfast, some rifle shooting, and lunch, we headed home to beat the snow that was coming.

Nathan Johnson had his Eagle Award Ceremony at St. John's. 12 scouts attended and Nathan's high school teacher, Mr. Christopher Del Ponte, was the guest speaker.

Some neat activities at the last few meetings included, the troop participating in an orienteering competition at Minooka Park that was planned by Mr. Millard and run by Max Mayhew and Kurt Selle, Aaron Blazek gave the troop a demonstration on making and baking scones, Dan W gave a presentation on the environment for a merit badge requirement, Mr. Langenecker worked with some of the scouts on the Rights and Obligations of an American Citizen, and The Order of the Arrow Society came to a meeting and held an election for new members.

The Troop Chaplain Aid position is held by Dan W & Elijah K They lead the benediction at Eagle Ceremonies, prayers on campouts, lead the devotion on High Adventure trips, and help scouts interested in the religious awards.

April Participation Honors

- 1 Josh B
- 2 Nick H
- 3 Jon M
- 4 Matt W
- 5 Will B
