

Troop 16 News

By Troop Historian: Adam B

Creep-O-Ree

On November 4th, 33 scouts and adults of Troop 16 attended the annual trip to the Co-ed Creep-O-Ree campout at Long Lake Camp near Kewaskum. The weather during the campout was around 60 degrees and dropped to around 33 degrees at night. This camping trip included close to 400 participants participating in activities such as archery, rifle shooting, shotgun, knife throwing, Trebuchet (catapult), scavenger hunts, and a haunted trail. During the last night at camp, a dance and costume judging was held. Meals at the camp were hot dog lunches made at camp and a pot roast dinner in the dining hall. The next morning, the troop ate a warm and cool breakfast consisting of the Mathraney Sissler (Bacon, eggs, and hot dogs), and bagels. After breakfast, the campers swiftly packed up their supplies, and made for the long trip back to the church.

Halloween Party

The troop Halloween party took place the day after Halloween on November 1st. First, the troop started with the fun task of unloading Bazar boxes down from the attic. After that, came an outdoor game of sardines, and then the indoor activities being costume judging and musical chairs. At the end of the party the troop shared refreshments of nachos and cider.

Pack 1 Webelos Visited the Troop

The Pack 1 Webelo Scouts participated in troop 16's meeting activities and practiced tying various knots at the end of the meeting.

Miscellaneous News

Some of our troop members helped at the St. John's work cleanup day. Jared F is the troop's scrap book historian. With this job, Jared is tasked with collecting and displaying photos of troop trips and activities. These photos are located in the scrap book displayed in the Troop 16 Display Case.
