

Troop 16 News
By Troop; Historian Joe E

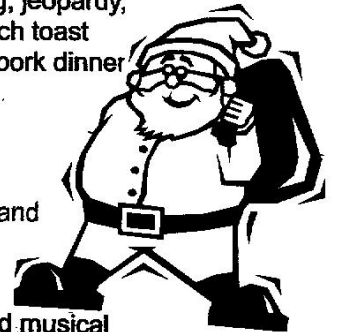

In October, 22 scouters camped at Point Beach State Park. We planned on doing an Astronomy night but it got cancelled due to 16 hours of rain. We did hiking and campfire cooking. While it was raining we spent the afternoon in the park lodge doing advancements, games, and enjoyed the fireplace. Inside the Nature Lodge we had a hobo sandwich picnic for dinner. Later that night we played a capture the flag game in the dark and rain. On Sunday we had a submarine Tour at the Manitowoc Maritime Museum and on the way home stopped for fast food.

First week of November we attended the Creep-O-Christmas at Long Lake in Dundee and 18 scouters were in attendance. This year was a Christmas theme. The activities started at 10:00 pm at night and went until 4:30 am in the morning. There were 6 hours of activities that went on during the night. Night time activities included archery, wall climbing, jeopardy, hungry hippo, and ornament making. There was a midnight Chili snack and a french toast breakfast at 5:00 am. Everyone slept in Saturday morning. We enjoyed a pulled pork dinner and afterward was the dance..

Many of the campers had decorated their sites with Christmas lights.

Some activities at the meetings were designing patrol flags, a drug presentation, and menu planning for both Creep-O-Christmas and Point Beach.

The Halloween Party was fun. There was custume judging, quick on the draw and musical chairs. Outside we played capture the flag. some of the costumes this year were a cheese man, a terrorist, a T Rex and and a clown from the movie "IT". Refreshments were snacks and brownies. The lemon aid even had bugs in it.

The Service Project was at the Care-Age Care Center. We pulled weeds in the flower beds along Barker Rd.

The Historian Scaper troop position is held by Thomas M . He gathers photos of the troop activities and posts them in scrap books located in the troop display case.
