This November the Annual Potawatomi Council Co-Ed Creep-O-Ree Campout was held at the YMCA Camp on Phantom Lake and had 21 scouters attend. The campout had a Greek Olympics theme. The camp staff prepared the meals which were: French Toast, Corn Dogs, & Salisbury Streak. Some of the activities included: tug of war, archery, kickball, tie-dye shirts, Jeopardy, an Inflatable Obstacle Course and a dance. Camping was done in screened cabins. The temperature dropped down to 29 degrees one night earning the group the Polar Bear award and it rained the other night.

Nathan J. [redacted] organized and led the troop in his Eagle Project developing trails in the Fox River Sanctuary. Work included clearing brush & spreading mulch.

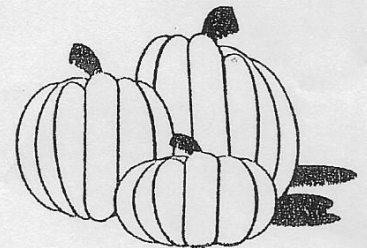

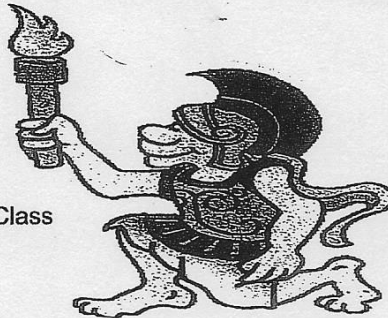

Last meeting we enjoyed a tour at the Blood Center Research Facilities in Wauwatosa. And on Halloween, we had a Party where we played games such as: Pictionary, Musical Chairs, and had a costume contest complemented with refreshments provided by the Warchols. At another meeting, we had a shooter awareness presentation and made Patrol Flags as well as developing a patrol yell.

The Scrap Book Historian position is held by Brendan F. [redacted]. He takes photos at campouts and posts them in a Scrap Book.
