

Troop 16 News
By Troop Historian, Noah L

23 scouters attended the Devil's Lake camp out and hike sponsored by Badger Trails. Activities included a visit to the Nature Lodge and tree identification. We skipped the bluff trail hike for the 6 mile meadow hike because of the bad weather. It rained for most of the trip. There were dances for both the younger and older scouts which were well attended. We ended the trip with a Sunday Sub sandwich lunch and a Merrimac Ferry ride across the Wisconsin River on the way home.

Menu items included: Tater Tot Casserole, Spaghetti, Sloppy Joes, Scrambled eggs and Vraney French Toast

Patrol members chose the following patrol names
