

Troop 16  
Milwaukee Pretzel Company Tour

April 4<sup>th</sup> is the spring General Election date for local government in Wisconsin. So to give more space/peace/quiet to the poll workers, we're headed to the Milwaukee Pretzel Company. These pretzels aren't the plain, hard types you get in a bag at Pick N' Save. These 3 oz or 5 oz Bavarian beauties are soft works of art that are more like bread (bretzel) than potato chips. We will tour the facility and then enjoy samples at the end. Note: You may want to bring extra \$\$USD\$\$ in case pretzels are available for purchase. (Since this is a bakery operation where freshness matters, I don't know if they stock extra pretzels. Better to *be prepared.*)
