

2016 TROOP 16

WREATH SALES HIGHLIGHTS

Minimum total wreath sales per Scout is \$100.00

If there is more than one Scout in a family, each additional Scout's minimum sale is \$50.00

Example: Two Scout family = \$150.00 in total sales

Three Scout family = \$200.00 in total sales

If this minimum is not met, the family must pay the difference between the actual amount sold and the minimum sales requirement per family. If NO wreaths are sold by a family, then the full minimum sales amount of \$100 must be paid.

A change from previous years: Mail order items WILL NOT count towards minimum sales total, as the profit margin is too small.

Note: This is Troop 16's ONLY FUNDRAISER TO BENEFIT THE TROOP so please sell as many wreaths as you can. As an incentive for Scouts to sell wreaths for Troop 16, 10% of the total wreath sales for each Scout will go into a fund to be used for that Scout's 2017 Long Lake summer camp, 2017 NYLT or 2017 Provisional Long Lake summer camp. An additional 10% will go into a fund to be used for that Scout's High Adventure outing in 2017. Unused funds in these scout wreath accounts will be returned to the Troop 16 general fund.
