Scout account questions can be directed to our Treasurer, Mrs. Brenda Jones - brendajones@wi.rr.com - for clarification.

Camperships (scholarships)

Any registered Scout in the Potawatomi Area Council who is unable to afford the full camp fee may apply for a campership to cover part of the fees (Normally, families are expected to try to cover part of the expenses by participating in unit fundraisers). Campership funds may be limited and they will be granted on a first-come, first-served basis. [Campership applications](#) are due by May 10.

Camp Long Lake Code of Conduct

Acceptability of the above is under the purvey of the unit leader and charter organization. If necessary, behavior or clothing options can be discussed with the camp director. If any of the above codes are violated, the participant may be asked to leave camp immediately.

Medical Forms

All Scouts and leaders in camp for more than 72 hours must have a completed medical form (Parts A, B, and C) signed by a medical examiner and parent (for youth) and a **front and back** copy of their health insurance coverage card. The medical form needs a medical examiner's signature dated within the last 12 calendar months, along with a new medication card. The signature is valid until the end of the month a year after it is dated (ie. the examiner's signature dated 7/1/2021 is valid through 7/31/2022). Anyone staying less than 72 hours needs AT LEAST parts A and B (B1 and B2) filled out completely as well as both sides of the insurance card must be included. Helpful links include: [AHMR Walkthrough](#), [AHMR Checklist](#), [Leader's Guide to AHMR](#), [AHMR Forms](#), and [Submitting AHMR](#).

Dining Hall

We need to inform camp of this at least two weeks before we attend camp of any special dietary needs. [dietary request form](#)

Camping - Site

We are camping in the same campsite as last year, Bear Trail. We will be using the tents provided by the camp on camp platforms. These are two person tents with cots and mattresses for each person. We will also have use of the troop teepee for scouts to sleep in during the week. Hopefully, all of you have retained the mosquito netting and supports that we have used in the past. The troop also has a supply of netting for your use during the week. For those needing to make a set, we can supply you with a set of plans.

Merit Badges

The merit badge program area fees are included in the listings. Please take these fees into account when planning for merit badge selections. We need to try to have two scouts at each merit badge. Scouts need to let me know which merit badges they wish to work on and at what times. I will then reserve spots for each scout through the camp website. **All pre-registrations for merit badges can start to be turned in to me by March 16**, as that is when we can start to register scouts for their particular merit badges or other activities. I have to have the \$100 deposit in before I can register scouts. The sooner I get the deposit and their merit badge selections, the sooner scouts can be registered for their selections. Some classes may fill up sooner than others.

Merit Badge sessions will be in the morning and at 2:00 in the afternoon.

Afternoon Enrichment

3-5 pm is enrichment time. It allows scouts to practice the skills for each merit badge, explore other areas of camp (try to earn master awards etc) or work on some of the extra awards offered at camp. Now is the time for your scout to make plans for which of these they would like to work on while in camp. Please note that some merit badges need to have some work done ahead of our week at camp in order to complete the particular merit badge.

Open Program: Open program is offered in the afternoons from 3:00 PM - 5:00 PM. It is a great opportunity to schedule a time to make up requirements with a merit badge counselor or go have fun in program area competitions/events being held around camp. Keep the following opportunities in mind when coming to camp, with some opportunities in the morning. Some open events begin offered are:

- **Open Aquatics**
- **Open Boating**
- **Open Climbing and Zip Line**
- **Open Shoot:**
 - **Archery**
 - **Rifle and Shotgun**
- **Activities in Camp Craft, Eco/Con, STEM, PFC, Boes, etc.**

I encourage scouts to limit them to 3 merit badges. I will review all selections. All first year scouts I request them to take Project First Class (PFC) and 1 or 2 merit badges they offer.

<https://docs.google.com/spreadsheets/d/1GS8946hqgNl6FvzcoKogf9MyksGYQluPourwX7Jh32Y/edit?usp=sharing>

I can start signing Scouts up for merit badges on March 16.

Program Costs

Fees can be paid at the Trading Post during Camp. The fees defray costs for program materials (i.e. gasoline for boats, ammunition, etc.). Merit badge fees are listed above in the list. You can find all fees also listed in the [2022 price list](#). Units are also encouraged to attempt to have program items paid in advance to ensure we can order the adequate needs for merit badges, etc. We will have all pre-orders ready for pickup during your Sunday check-in. Use the [2022 Program Pre Order Form](#) to prepare. These can be submitted to the Council Office. Please submit at least two weeks prior to camp.

Merit badges that have program fees will be included in the sign-up of badges. This would then be managed by the unit. The option will be there for units to pay program fees at camp, as done in the past. For badges that require kits will be ready and available at check-in for the unit leaders on Sunday.

All prices are subject to change. Units will be notified prior to camp of any changes.

I will be sending a final letter out the closer we get to camp that has all of the last minute details for our week at camp. If you or your son has any questions, please call me at 262 689 9157, or see me at any troop meeting and I will do my best to answer them for you.

Thank you for your attention. We enjoy working with your scouts and look forward to the year ahead. Parents are always welcome at our activities and outings. If you should have any suggestions about future activities, please feel free to mention them to any of our leaders.
