Home Improvement is a hands on Merit Badge weekend where Scouts can earn two of the 9 Merit Badges offered. This is a Troop event, no individual Scouts will be accepted. The Troops will be camping at Camp Lazynski and the program will be at Camp Doerr. The fee covers the cost of the program materials for each Scout and a patch. Food is provided by your own Troop. Please send a check made out to Troop 67 with your registration forms to:

Mike Ronsman, N109 W16500 Hawthorne Dr., Germantown, WI, 53022. Phone: (262)-502-3611

Every attempt will be made to give each Scout his first and second choices in Merit Badges. The sooner your Troop registers, the better the chances of this happening. Each Troop will be notified of Merit Badge choices and the pre-requisites that each Scout needs to bring with him. If a Scout does not complete his pre-requisites beforehand, he may only be able to get a partial.
